STEP 3:

Watch out for Mr. Cool Money and Billy Dollar's secret message. Solving the clue may help you earn money towards your savings. The message is coded, so you will have to get the clues each day in order to learn the message.

Here is a clue. The money value of the clue is a letter in the alphabet. Mr. Cool Money will reveal coins each day for you to know the value and match it to the corresponding letter. Example: one penny equals 1 cent and would stand for the letter A because it is the first letter of the alphabet.

STEP 4:

Win prizes and save money! All month long, Billy Dollar will be helping you save by giving out prizes and helping you experience cool activities. Have your parents/guardians text the phrase "SaveICT" to "54244". This is how you will know about all the happenings of Billy Dollar. You can also get the clues and win lots of prizes.
